

To all at ADSC,

We are sad to announce that after a battle with Motor Neurone Disease, our wonderful wife and mother died peacefully on the morning of the 12th February surrounded by her family. Debbie loved the club, she had a passion for swimming, for the camaraderie, support and integrity that transcended many swimming careers. She has been a role model to so many and has taken hundreds of children through the beginning of their swimming journeys. She was delighted to see so many swimmers that she had taught doing so well at the Club Championships in November.

Deb lived for her family, she leaves behind her three children and her husband of almost 30 years, she leaves a huge hole in our lives and we will miss her deeply.

We ask that you respect our privacy at this time and we will release further information in due course.

Richard, Dan, Hannah and Sian

In Loving Memory
